

Political Science

New titles for your fall 2013 classes

Critical Concepts: An Introduction to Politics, 5ce 🍁

By Janine Brodie, Sandra Rein & Malinda S. Smith

© 2014 | ISBN: 9780132766838

Hardcover, 18 chapters, 384 pages, February 2013

Now in its fifth edition, *Critical Concepts: An Introduction to Politics* challenges readers by exploring current political issues and ethical dilemmas. Focusing on fundamental concepts in political science, each chapter provides readers with the critical perspectives needed to analyze the major issues we face and how political science as a discipline helps us to make sense of them.

Highlights include:

- Discusses traditional and recent debates in political science.
- Covers key events that have shaped the 21st century: challenges of terrorism; wars in Iraq, Afghanistan, and Libya; birth of new nations such as South Sudan; growing power and influence of China and India; struggles for memory, voice, and representation; the Arab Spring; Truth and Reconciliation Commissions in Chile and Canada; vibrancy of civil movements including Indignados in Spain, Occupy Wall Street in the US, and the student protests in Quebec; and the ongoing financial crisis.

Table of Contents

17. A Genealogy of Poverty by Malinda S. Smith
18. What's Left Out?: ChIndia and Transnational Social Movements by Meenal Shrivastava

Canada's Politics: Democracy, Diversity and Good Government, 2ce 🍁

By Eric Mintz, Livianna Tossutti & Christopher Dunn

© 2014 | ISBN: 9780132924696

Hardcover, 18 chapters, 384 pages, February 2013

This text provides students with an introduction to the major aspects of Canadian politics with a special emphasis on the unique challenges our diverse population places on the practice of democracy and good government. With each aspect covered, it raises thought-provoking questions designed to encourage students to think critically about the important issues and topics currently shaping politics in Canada. Featuring relatable examples, a full-colour interior, and a jargon-free writing style, *Canada's Politics* will engage students and provide them with the foundation they need for future study.

Highlights include:

- In-depth coverage of key topics largely ignored by other introductory Canadian politics texts with discussions on regionalism, provincialism, and municipal government and an entire chapter on Aboriginal rights and governance.
- Discussion of the major features of Canadian politics including the parliamentary system, the protection of rights and freedoms, political parties, the federal system, and the interaction between citizens and government.
- Highlighting a variety of important issues and controversies including national unity and Quebec sovereignty, increases in wealth disparity, changes in the contemporary political party system, and women and minorities in politics.

MyPoliSciLab®

MyPoliSciLab is an online homework, tutorial, and assessment program that truly engages students in learning. It helps students better prepare for class, quizzes, and exams—resulting in better performance in the course—and provides educators a dynamic set of tools for gauging individual and class performance. And, MyPoliSciLab comes from Pearson, your partner in providing the best digital learning experiences. To learn more, visit www.mypoliscilab.com.

Give your students choices

Pearson titles are available in a variety of formats—digital and print—so students can access them however they like. Tell your students to check for their title on their favorite digital provider: CourseSmart, Amazon, MyThinkingLab, and more. Other options for students include a printed text with a Pearson MyLab product, a three-hole-punched, loose-leaf Books à la Carte edition—or even your own custom-built course material. Contact your Pearson representative for more information.
